Objective:

To put my skill set and creativity to use for organizations that value both style and substance.

Skills:

I have experience in page layout, marks and identity packages, illustration, package design, web design, and photo retouch. I am proficient in Photoshop, Illustrator, InDesign, Quark, Flexi Sign Pro, Go Live, Adobe Acrobat, Dreamweaver, and Flash. I embrace new technology whenever possible and I am a fast learner. I consider my ability to illustrate one of my greatest assets in both digital and traditional media.

Education:

Bachelor of Fine Arts Degree in Graphic Design Eastern Kentucky University
Summa Cum Laude - 3.96 GPA

Employment:

2006 Alltech Biotechnologies

I designed graphics for video and print distributed to more than 80 countries including promotional materials for the Alltech FEI World Equestrian games in 2010. I was responsible for retouching, organizing, and maintaining the world wide corporate photo database. I also helped orchestrate and run A/V for international corporate events.

2005 Little Sign Shoppe

I designed and constructed signs, banners, decals, logos and brochure packages for area businesses. I was also responsible for operating large format digital printing services.

1999-2005 Wal-Mart

I held various management positions including Customer Service Manager and Tire Lube Express Support Manager. I gained invaluable interpersonal and administrative skills in my five years there.

Freelance:

Eastern Kentucky University

I've designed logos for EKU Centennial, EKU Business & Technology Incubator, and EKU Retirees Association. I designed banners, pins, T-shirts and other marketing materials for the Centennial Celebration. I also designed marketing materials and a web site for the EKU Business & Technology Incubator.

Progressive Systems

I designed and implemented corporate identity package for this robotics based company.

RP Productions

Created illustrations and graphics for Newspapers in Education projects, including the nationally syndicated "Paper Cut" serial chapter story by Bob Rouse.

Hustonville Baptist Church

I worked with church leaders to design a logo and web site.
